INSTRUCTIONS

1. Wipe a damp sponge over the entire piece to remove dust and contaminants.
2. With the fan brush, evenly apply Indigo to the baby's left hand and left foot and print them onto the center of the bottom of the frame. Apply even pressure and lift the hand and foot straight up to avoid smearing.
3. Lightly pencil "Happy Father's Day" on the top and the name and age on the bottom of the frame.
4. Lightly pencil the graphic lines from the top of the frame to the bottom, stopping at the prints.
5. Paint 3 coats of Turquoise on the outside lines.
6. Paint 3 coats of Honeycomb on the middle lines.
7. Paint 3 coats of Orange Juice on the inside lines.
8. Lastly, trace over the lettering with the liner brush and 1 thick coat of Licorice.

TIPS

- Allow paint to dry between coats.
- Wash brush between colors.
- For the best prints, apply the color as evenly as possible. Too thin and your print will not show all the way. Too thick and the print will not show the texture.
- After you have evenly applied the color, gently place the hand and foot onto the pottery. Make sure to apply pressure to each finger and toe and the palm and arch for a nice, balanced print.
