INSTRUCTIONS

1. Paint the outside of the egg box with 3 coats of Carnation.
2. Paint the egg with 3 coats of Banana Boat.
3. Use the sponge dabber to apply dots on the outside of the egg box. We used Lemon Mist, Coral Reef, Sea Mist, Fresh Heather, and Gecko Green. Apply 2 coats with the sponge end of the dabber.
4. Now, dip the stick end of the dabber and add the small dots on the outside of the egg box. Just one coat is enough for these.
5. Use a marker to sketch out the details on the egg.
6. Use a detail brush to apply 1 heavy coat of Mango Madness to the hair, eyebrows, and wings.
7. Dip the stick end of the detail brush into Licorice paint and tap on the eyes.
8. Use the small brush to fill in the feet and the beak with 2 heavy coats of Squash Blossom.
9. Paint the inside of the egg box with 3 coats of Coral Reef.

TIPS

- Three coats of paint will give you a solid color. You can add water to the paint for a watercolor effect.
- The harder you push down on the detail brush the heavier the lines will be.
- When using a sponge dabber, tap off the excess paint before stamping down.
